### Attention All Medicaid and PeachCare For Kids Providers:

The Department of Community Health (DCH) voided and then reprocessed a number of claims for these categories of service:

- 200: Home Health
- 230: Independent Laboratory
- 320: Durable Medical Equipment
- 330: Orthotics and Prosthetics/Hearing
- 370: Emergency Ground Ambulance
- 430: Physician's
- 431: Physician's Assistant
- 470: Vision Care
- 480: Nurse Midwifery
- 540: Federally Qualified Health Center
- 542: Rural Health Clinic
- 550: Podiatry
- 570: Psychological
- 590: Community Care-Personal Support Service
- 600: Health Check (under 21)
- 740: Advanced Nurse Practitioners/CRNAs
- 840: Children's Intervention Services

Certain claims for these categories of service were voided when providers were paid for services rendered to the wrong member. This happened because member information from the first claim in a file was duplicated in all subsequent claims in the file.

No action is necessary on your part at this time. You do not need to resubmit claims for payment.

If your category of service is not listed above, then please disregard this banner message.

We apologize for any inconvenience this might have caused you. Thank you for your continued participation and support in the Georgia Medicaid and PeachCare for Kids programs.
